Dear Yellow Springs Families & Staff,

We have heard from some of you that you would like additional assistance in navigating our non-traditional instruction/distance learning resources. In an effort to help make this easier for our families, please view the brief information sheet at the link below on understanding Google Classroom. Should you want or need an individual tutoring session, please reach out to [mgerberick@ysschools.org](mailto:mgerberick@ysschools.org). We are happy to help.
