

Dear McKinney Students & Families,

The McKinney team teachers are excited to share the following streamlined supply list. After a great deal of reflection, we have developed the following list that addresses our goals of minimizing cost and more effectively supporting student organization and learning. We believe the supplies requested below support learning in our block schedule and student success in interdisciplinary PBL activities. We will take time during the first week of school to organize an A-day binder and a B-day binder. We will also be utilizing a supply closet model to organize materials for our project work. Several items listed below are specific in size and color. If you are having trouble finding the exact item, a comparable replacement is fine.

McKinney Middle School Supply List 2018-19 School Year

General Supplies Carried by the Student*

- Pens and Pencils
- Colored pencils
- Highlighter
- Pencil case to carry materials
- Texas Instruments TI-30X IIS calculator (*please get this exact model, approx \$15*)
