

FEARLESS  THINKERS
SINCE 1885

March 26, 2020

Dear Yellow Springs Families,

If you have had a change in your financial status due to the COVID-19 pandemic and the corresponding Stay at Home Order here in Ohio, and your children are currently not receiving free and reduced meal services, I urge you to complete an application to determine eligibility. If you qualify, your child (children) may receive breakfast and lunch at reduced or no cost.

If you have a SNAP or OWF case number, you can provide that on the application form in lieu of financial information. If you do not have a case number, you will need to provide income information as requested on the application.

Below is a link to the application form and income eligibility guidelines (if needed).

Should parents need assistance filling out the application they can contact Donna First at 937-672-8559.

Please ***print clearly*** on the application and make sure to include a current contact number in case we need to reach out to you to clarify any information while processing the application.

During this time of non-traditional instruction (NTI)/distance learning, all applications should be returned to:

Applications can be mailed or dropped off in person. If dropping off in person, please use the mail slot on the front door of the board office building.

Enjoy the rest of your spring break.

Best,
