

Dear 9th Grade Students & Families,

The 9th grade team teachers are pleased to share the following streamlined supply list for 2018-19. We have developed the following list to address our goals of minimizing cost and more effectively supporting student learning and organization. We believe the supplies requested below support learning in our block schedule and student success in interdisciplinary PBL activities.

Several items listed below are specific in size and color. Individual teachers may have specific supply requests for certain assignments throughout the year. However, students should have the following supplies for individual use throughout the year. If you are having trouble finding the exact item, a comparable replacement is fine.

Grade 9 Supply List

2018-19 School Year

- One 2 or 2.5 inch 3-ring binder with 8 divider-pocket folders (one per block)
- Loose leaf notebook paper
- 4 composition books (Biology for lab report, English, Spanish, World History)
- 1 package Graph Paper (for use in Biology and Math)
- Highlighters (2-3, your choice of colors)
- Colored grading pen (not blue or black)
- Writing pens (for use throughout the year)
- Pencils (for use throughout the year with working erasers)
- Colored Pencils: 1 package, 8-24 colors, any brand (for indiv use through year)
- 1 glue stick (Biology)
- Calculator (preferably something from the Texas Instruments 84 series)
- Protractor (for individual use throughout the year)
- Compass (for individual use throughout the year)
- Tissues (2 boxes, turn in to Math teacher for dispersal)
- Scissors (for individual use throughout the year)
- Metric Ruler (for individual use throughout the year)
