Financial Notes to the Board – July 2018
Board Meeting August 9, 2018

Financial

- The Bureau of Worker’s Comp awarded a generous rebate for prior year worker’s compensation payments made by public entities. Our rebate was $11,386, which is nearly 2/3rds of what our annual payment is close to.
- The July 31 income tax collection is primarily from returns filed. If you look at the comparison report on the last page of my report, you will see that we received a pretty sizable collection, up 9.72% from last July.
- I would like to take the little bit of time I have following the completion of the monthly report to work on preparing and presenting the 2017-18 fiscal year end report. I think it will be very helpful to Steve2 and I promise to make it as concise as possible. Unfortunately, I will be spending the next two days getting my oldest son set for Wright State and taking my 2nd son to have his wisdom teeth pulled. My WiFi at home is not working. Spectrum was at my house for 5 hours last week, still no WiFi. So, I cannot work from home while my son sits in misery from the extraction, and while my other children sit in misery from the lack of online gaming ability. Should be a fun time!

Superintendent Monthly Board Report
August 6, 2018

Dear Yellow Springs Board of Education,

For most, January 1 symbolizes the start of a new year and hope for the future. In K-12 education the start of a new year and hope for the future comes in August when we have ended the previous school year and are hopeful about the start of the next. The 2018-19 school year promises to be one of strong community engagement in our next steps with facilities improvements. This month our agenda features the presentation of a retirement plaque to our longtime Executive Assistant, Susan Griffith. In addition, the agenda adds the hiring of Elisabeth Simon as our new PBL District Coach and Eli Hurwitz, Chris Sidner, and Shannon Morano as our new Professional Development/Exhibition Night Facilitators for the 2018-19 school year. We will also highlight the findings from the structural engineer’s report on Yellow Springs High School and share our next steps towards solving our facilities challenges.

Further description/clarification on several of our agenda items are communicated below. If you have questions, I encourage you to contact me before the meeting so that I can give you a full and accurate answer.

**New Hires**
Elisabeth Simon is being recommended for hire as our new PBL District Coach. As a reminder this is the consolidated position that the board approved adding in June. Elisabeth needs no introduction since she has been an amazing teacher for many years in our schools before now. After resigning from her teaching position last spring to pursue a career in private industry, this opportunity became available for her to stay engaged in our schools and work for her private employer as well.

In addition, Eli Hurwitz, Chris Sidner, and Shannon Morano are being recommended for hire as our new Professional Development/Exhibition Night Facilitators for the school district. Like the new PBL District Coach position, this position replaces the former coaching model employed over the last five years. We are making these changes at the recommendation of
our teachers, who see this as a more effective model for future success in PBL.

Susan Griffith is being recommended for hire as our new Deeper Learning Training Center Coordinator and as a mentor for our new Executive Assistant, Steffanie Marchese. Her contract will be for 12 months. She will work for a maximum total of 15 hours a week, which will include both of her new roles.

Title Program
Federal cuts to education continue to affect our programming. This year, cuts have had a significant impact. We will need to continue supplementing funds to pay for our reading center program. This will have an impact on the program’s effectiveness and will need to be reevaluated in the coming months to assess student needs.

School Bus/Permanent Improvement Renewal Levy
Recently we purchased a new school bus. This bus cost us just under $100,000. We receive roughly $140,000 per year in Permanent Improvement dollars. Our 5 year levy is on the ballot once again for renewal and is the minimum funding needed to repair and maintain our buildings and grounds. This levy will not increase the taxes collected from the community.

Thank you for your support and trust in our efforts to make Yellow Springs Schools the best in Ohio. Please email or call me before Thursday evening if you have any questions about the agenda that I can answer in advance of the meeting.
